

Staff Profile: James Hooper- Digital Marketing Apprentice

1. How long have you worked for Plus Accounting?

Since September 2018.

2. If you could change one thing in the tax system, what would it be and why?

Put the money generated from tax into business investments more than housing forms.

3. If you could give your 18-year-old self one piece of advice, what would it be?

I turned 18 this March and so maybe ask me that question in a few years' time.

4. What was your very first job?

My very first job was a paperboy which I completed once a week from the age of 13 for a couple of years.

5. What hobbies do you have outside of work?

I have a huge passion for sports especially football. I enjoy watching and playing football when I can as well as playing Table Tennis and Tennis.

6. Is it still a good time to be starting a new business in the current climate?

I believe that the success of starting a new business depends on the product/service and its market. There needs to be a suitable level of demand and growth in the market.

7. If you suddenly became financially independent, what would you miss most about your job?

The people who you work with and see every day.

8. What is the difference between a top ten 10 employer and a smaller firm?

I'd imagine the main difference is a top ten employer wouldn't value you as much a smaller firm and so the communication is more autocratic.

9. If you could meet a celebrity, dead or alive, who would it be?

I would choose Sir Alex Ferguson, as for me he was the best football manager in the world and one of the reasons Manchester United were as successful as they were.

10. Describe yourself in three words?

Hard working, friendly and organised.
