

Staff Profile: Angharad Rosser- Corporate and Specialist Services Manager

1. How long have you worked for Plus Accounting?

One week

2. If you could change one thing in the tax system, what would it be and why?

I would like to see the smaller high street business get additional support from the government to reduce their tax bill (especially when compared to the larger online retailers) to help try to rejuvenate the high street.

3. If you could give your 18-year-old self one piece of advice what would it be?

To take every opportunity you are given as you don't know whether you will get the chance again.

4. What was your very first job?

A weekend job in a local residential care home.

5. What hobbies do you have outside of work?

I enjoy home baking and like to keep fit (to compensate for the baking!) and try to fit in a couple of classes and a jog once a week if I can. I also enjoy making the most of living by the sea and this year I attempted paddle boarding for the first time!

6. Is it still a good time to be starting a new business in the current climate?

I would say it is probably a slightly uncertain time at the moment due to potential implications of Brexit, however, if you have a good business idea and model then I think there are still good opportunities out there.

7. If you suddenly became financially independent, what would you miss most about your job?

I would say it would probably be the people, both work colleagues and clients.

8. What is the difference between a top ten 10 employer and a smaller firm?

I think a smaller firm is probably friendlier and possibly takes more time to get to know the client and their business.

9. If you could meet a celebrity, dead or alive, who would it be?

David Attenborough

10. Describe yourself in three words?

Friendly, trustworthy & ambitious
