### Emily Blofeld

AAT Level 4 Apprentice

**1. Why did you choose Plus Accounting?**

The people I met seemed happy with their jobs and I think it's good going somewhere bigger where people are also training and there's more guidance, coming from being the being the first trainee at my old job.

**2. If you could change one thing in the tax system, what would it be and why?**

To have simpler/different tax return forms for different trades/self employed because I know a lot of people find it confusing and stressful. Especially for less techy people with paperless MTD.

**3. If you could give your 18-year-old self one piece of advice what would it be?**

Start learning to drive as soon as you could have because it opens up a whole lot of freedom so you won't have to annoy your mum and boyfriend to take you out for practise all the time!

Cleaning, if you don't count my sister and I selling on vinted from car boots.

Walking my dog, sea swimming, going to festivals, cycling and socialising with friends.

It's probably always going to be hard but if you have a strong idea, get a good footing and sense of your market you should have some success.

Feeling like I am contributing to something and that I am understanding more as I progress.
